TECHNICAL EXPERIENCE

Front End Development Intern Dec 2023 — Feb 2024
Identitycraft Solutions Jalandhar- Remote

- Designed and developed the front-end of the **Permissionless House Pass** using **React.js** and **Tailwind CSS**, resulting in a seamless user experience.
- Contributed to the development of front-end components of the **Permissionless Shop**.
- Built interactive web-applications with **React.js**, **Sass**, and **Ant Design**, delivering engaging and intuitive user interfaces.

Full Stack Development Intern Feb 2024
V-Patrol Gurugram - On-site

- Contributed to the development and deployment of a Minimum Viable Product (MVP) for an Ed-Tech platform during an internship at V-Patrol in Gurugram.
- Utilized MongoDB for efficient data storage and to ensure data reliability.
- Implemented React.js for the front-end to create an engaging user interface and Employed Node.js for the back-end to ensure smooth functionality and user experience.
- Actively participated in the SaaS Developer community, sharing expertise and contributing solutions.

PROJECTS

Spot News Jan 2023

- Developed a **dynamic React application** utilizing the **g-news API** to fetch up to 10 live news articles.
- Implemented user-friendly features allowing users to select preferred news categories and languages (Hindi/English) for customized news browsing.
- Utilized a modern tech stack, including **HTML**, **CSS**, **ReactJS** (incorporating **Hooks** and **ContextAPI**), **Tailwind-CSS**, and **React-Bootstrap**, to ensure a responsive and visually appealing user interface.
- Demonstrated proficiency in **frontend development** by creating a streamlined and interactive news browsing experience tailored to user preferences.

Search Through GitHub API Aug 2022

- Designed and developed a **web application using Angular** to facilitate **real-time searching of GitHub profiles** via the **GitHub API**.
- Implemented a seamless user experience allowing users to search for any GitHub profile without requiring an internet connection.
- Leveraged technologies including **HTML**, **CSS**, and **JavaScript** to create a responsive and intuitive interface for the application.
- Demonstrated proficiency in utilizing APIs to fetch and display GitHub profile information, enhancing user accessibility and engagement.

EDUCATION

Lovely Professional University July 2021 — May 2024
Bachelor of Computer Application — 8.12 CGPA Phagwara, Punjab

Sita Devi Higher Secondary School June 2020 — Mar 2021
Senior Secondary — 6.1 CGPA Indore, MP

ACTIVITIES

Completed the DSA in C++ | Geeksforgeeks July 2023
Full stack web developer Programmer | Codehelp Certified Dec 2022
